À propos de moi:

Hi, my name's Janelle.

You can reach me on 0419 821 365.

I'm a sassy well-spoken late-40s Aussie callgirl with shoulder-length honey-blond hair, soft lips, natural double-D tits, juicy fully shaved cunt, tight thighs, silky uninked skin and a delightfully perverted mind. Unashamedly bisexual, buxom and bad, I love the company of sexually adventurous men, women and couples over 30.

I'm soft but firm, tactile and sensuous, and dedicated to giving other people pleasure. I'm also open to a wide range of sexual play including light B&D, sex toys and pegging, DATY, BBBJ, dirty talk, mutual Masturbation, prostate stimulation and cross-dressing. And yes, multiple shots on goal are welcome although please don't ask for golden showers or anax on me.

MY PLAYPEN is a private reverse-cycle air-conditioned townhouse in the south-eastern sector of the Adelaide CBD. Free two-hour street-parking is easy to find nearby. If you're on two wheels, ask me about parking your machine in my garage. Movies, soft music, shower and scent-free soap are available.

PLAYTIME is usually between 10 am and 7 pm on weekdays and between 11 am and 5 pm on weekends and public holidays. With enough notice, I can sometimes be available at other times for people I know, hotel visits and threesomes. I'm not a night-time ho though so please don't expect to be able to book me at short notice outside those hours.

ALL-INCLUSIVE INCALL PRICES for my time are \$130 for ½ hour, \$190 for ¾ hour and \$250 for an hour. For couples, my price is \$400 for an hour and \$700 for two hours. For outcalls, add \$50 for travel and parking. For longer trysts, threesomes and foursomes, price is by negotiation. The minimum call-out time is an hour.

APPOINTMENTS ARE ESSENTIAL. To book time with me, ring me using caller ID anytime between 7 am and 9 pm. If you want to be the first for the day to get my bra and panties off, best to ring before 8 am. If I can't take your call, please keep trying or leave a message to say when best to ring you back.

Well, there you have it. If you're looking for a whore with a big heart and a wild imagination, call me. I offer lively conversation, light-hearted fun and unrestrained carnal pleasure. Are you up for it? ?
