About Me:

Jazz

My name is Jazz a classy professional Super Model and VIP Escort Originary from Italy A luxury transsexual an exquisite lover for distinguished gourmets I am a very sensous and refine girl I love to be as much feminine as I can I love to be treated gently. I really enjoy an interesting chat because I like to express my feelings The services I offer are directed only to cultured, refined, respectful and solvent gentlemen They will have to be able to appreciate what I represent I will be your sweet sexual dolly looking for new experiences I will welcome you always impeccable dressed in fine lingerie and stilettos. I take great care over my appearence I really love sports and I attach too much importance to personal care I am very experienced with inexperienced men First timers men that have no idea about lying beside a really beautiful woman with dick.
