I am **Lyonesse** the most passionate girl in this city

Perhaps that's why people think of me as a charming girl because I always find a connection with the concerned person. I'm friendly and approachable in my social life and don't make people wait for me on any occasion. I listen to music in my free time and consider it the greatest gift ever bestowed upon humanity. You can call me a music fan, and I'd love to talk about it at dinner as well. Have fun :)
