Hi, I am Logan; I specialize in the mutual touch erotic massage and boyfriend experiences all leading to full use of my bedroom furniture and full ensemble of toys....fetish wear...gear and more!

Please take a few moments to read my reviews and contact those that posted them to ask any questions or verify the 5\* rating. Feedback that I often receive is "your pictures do not do you justice" and "wow, never had something like that before". Book some time and see what it's all about!

First time? Curious? Not sure where to begin? Just relax, breathe, and let me put you at ease. I've had the honour of being the first encounter for many gentleman and I do not take this lightly. I know that a single interaction can influence future choices and I aim to provide a safe, non-judgmental space to explore the questions and fantasies that you may have never been able to express.

Know exactly what you'd like? I aim not to meet your needs, but to exceed them. Tell me about your ideal weekend getaway – whether it be sunbathing in Capri, skiing in Whistler or simply enjoying each other's company in a nearby city, it would be my pleasure to join you. Allow me to help you transform what you've always fantasized about into a memory of a lifetime.

Have something a little edgier in mind? I'm in awe of the human body and will try (almost) anything once. Whether you're a seasoned expert or curious to explore, I enjoy heightening your bodily sensations to a level you never thought possible. Chances are, I have a few tricks I can teach you ;)

With my highest standards of professionalism and integrity, I aim to deliver a world-class experience. You can expect a compassionate, open individual who will make you feel at ease. In fact, I look forward to welcoming you to my central Toronto-located condo, I'll offer you a beverage, and encourage you to tel
